

How do I redraw a fixture from a specific round?

Last Modified on 17/11/2023 12:31 pm AEDT

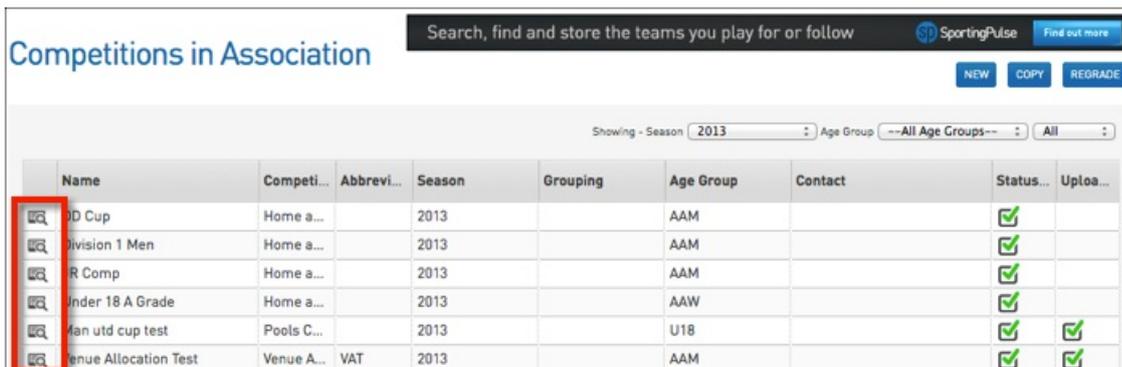

Redraw Fixture by Round

The ability to redraw fixtures for competitions has now been updated to allow administrators to chose the date that the fixture is redrawn from.

1. Firstly, hover over competitions and click List Competitions

2. Then click the Magnifying Glass next to the competition fixture that you want to redraw

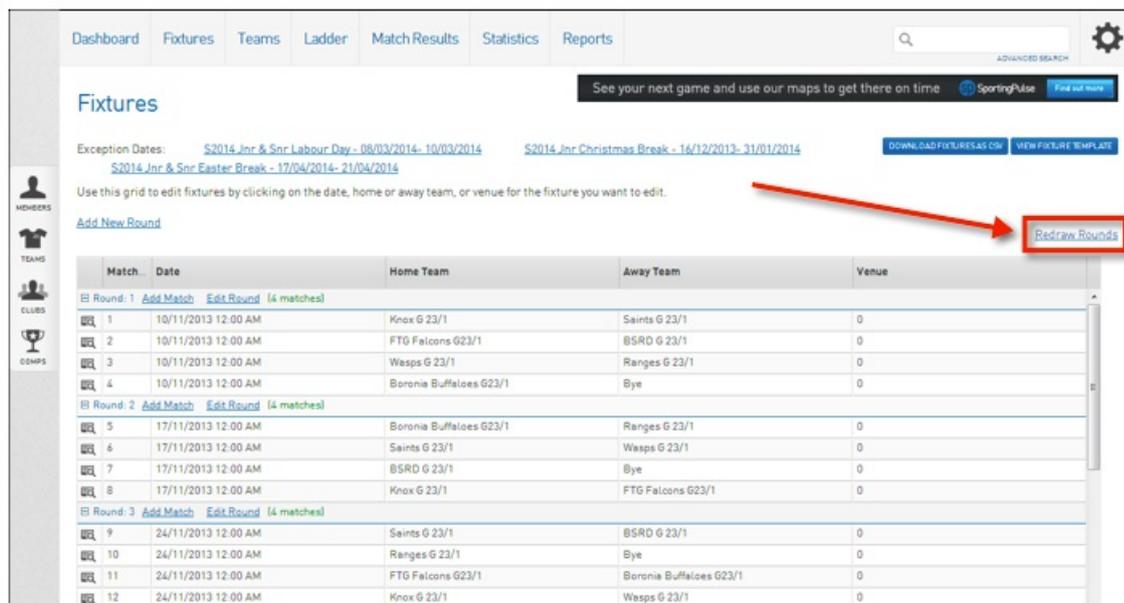

Name	Competi...	Abbrevi...	Season	Grouping	Age Group	Contact	Status...	Uploa...
ID Cup	Home a...		2013		AAM		✓	
Division 1 Men	Home a...		2013		AAM		✓	
R Comp	Home a...		2013		AAM		✓	
Under 18 A Grade	Home a...		2013		AAW		✓	
Man utd cup test	Pools C...		2013		U18		✓	✓
Venue Allocation Test	Venue A...	VAT	2013		AAM		✓	✓

3. From the competition menu hover over Fixtures and click Regular Season

4. At the top right hand corner click Redraw Rounds

5. To complete the fixture redraw you will need to complete the next four sections

- a) Fixture Style - The Fixture Style section allows the administrator to choose whether they want to redraw using the Fixture Equalisation or through a previously created Fixture Template
- b) Fixture Template - If the Fixture Template option has been selected the intended template must be selected from the Drop Down Box. You can also set this template to be the default by clicking the Tick Box Below the template name
- c) Round to redraw From - From the Drop Down Box select the Round Number that you want the new fixture to be drawn from
- d) Click Redraw

Redraw Fixtures from Round

Search, find and store the teams

Redraw fixtures from a specific round for the remainder of the season

a

Fixture Style:

Fixture Equalisation (generated fixture to avoid teams playing each other in quick succession)

Fixture Template (from selected template below)

b

Fixture Template:

(KBI) 8 Team Fixture

Set as default fixture template for this competition

c

Round to redraw from:

Round 2
